

SAVE THE DATE: UPCOMING EVENT

Save the Nukes!

Chicago: October 22-24, 2016

A leadership, skills building, and direct action summit.

Nuclear is in crisis— and we need your help.

Saturday:

Cocktail Reception and Dinner about the Clean Energy Crisis

Sunday:

Help to build a coalition between ANS, NAYGN, Environmental Progress, Mothers for Nuclear, and Thorium Energy Alliance to save existing nuclear plants and grow nuclear's share of the energy portfolio dramatically.

Build your nuclear communications and organizing skills to win pro-nuclear campaigns in your home territory.

Monday:

Meet with legislators in the morning, and fight to save Clinton and Quad Cities Nuclear Plants in the afternoon with a march and direct action!

Schedule and locations to be announced soon— mark your calendar!
